EDUCATION

8/2020 - Present

INFORMATION TECHNOLOGY

HCMC University of Technology and Education

4th year Student

SKILLS

Technical skills

- Html/Css, C#, JavaScript, TypeScript
- ASP.Net, NodeJS, NestJS
- MySQL, SQL Server, MongoDB
- Git, Github, Visual Studio, Visual Code

Non-technical skills

Able to comprehend English-language documents

OBJECTIVE

I possess prior experience garnered from my engagement in an internship role within a corporate environment, wherein I fulfilled responsibilities as a backend developer. During this tenure, I acquired proficiency in utilizing technologies such as ASP.Net and SQL Server. Presently, my primary focus lies in backend development, with specialized emphasis on NodeJS and NestJS. My goal is directed towards securing internship opportunities that will facilitate the continual advancement of my skill set within these technologies.

PROJECTS
